Ladies night out

Formal parties can be so boring sometimes. You get all dressed up just to stand around and drink. After a few hours everyone who's sober goes home and the rest go to a real party. Anetta & Adela chose neither of those. Opting instead to go to a hotel room and fuck the night away. Stripping off their skin-tight dresses they spend hours all over each other.

Lazy day lovers.

Roommates Megan and Brittney had a whole Saturday all to themselves, but neither girl knew what to do. Suddenly, with half the day gone, they decided that spending the rest of the day in each other's arms was the best thing they could do. They undress and start putting lips on lips, fingers in holes, and tongues on clits. After cumming for hours, everyone is satisfied.

THE MAN CAVE

OVER HIS
DEAD BODY

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Twin headlight beams bored through the darkness as Curt goosed his beloved muscle car. The burly engine unleashed a throaty growl. Polly could feel the delicious vibrations through the seat, a major turn on as they neared the cemetery.

Curt took the next turn too fast, spilling some of her 22 ounce beer in the process. Suds soaked through the short skirt she had worn for tonight's date. The ice cold brew made her shriek. "Now look what you made me do!"

"Sorry, babe," Curt mumbled around his cigarette.

Oh well, Polly reflected. At least he hadn't lost control and slammed into a tree.

And she had to admit that Curt's lead foot was most flattering. He was eager to fuck her. They had been planning this thing for weeks; ever since George – Polly's late husband – had kicked the bucket. Natural causes, the coroner had determined. Curt and Polly knew better. The poison had worked to perfection. No autopsy had been performed

because nobody, not even George's grief stricken mother, had suspected foul play.

Now, wheeling under the arched gates of the cemetery, Curt placed his hand on Polly's thigh. His touch sent a titillating shiver through her body.

"This is gonna' be out of sight." He tossed his cigarette out the window. "I've never gotten it on in a cemetery before."

"You're not scared, are you? Not even a teensy weensy bit? After all, this isn't just any old boneyard."

"No shit, babe. That's the whole point of this escape; to screw over George's dead body and make that miserable asshole eat crow."

"George is dead, Curt. He won't be eating anything."

"It's called a figure of speech."

Polly laughed. Curt was easy to rile. He was right, too. Tonight George would get a bellyful of crow . . .

When she had tried to spice up their dull marriage bed by adding a third party (Who better than the handsome mechanic who had replaced their timing belt?), George had blown a fuse. "You want to screw that grease monkey down at the garage!?" he had fumed. "Over my dead body!" Curt and Polly had started messing around the very next day. The murder plot came later; not as a means to get rich (George didn't have a big bucks life insurance policy), but simply to be free of his domineering presence. Divorce wouldn't have been enough, Polly knew. George would have harassed her to no end, making her life utterly miserable.

Presently Curt grabbed the blanket between them and opened the door. Polly plucked the flashlight from the glove box and joined him. It was a short walk to George's modest headstone. Polly trained the cone of light on the engraved slab. It was deathly quiet until Curt said, "Hey, babe, you're not having second thoughts, are you?"

Polly reached under her skirt and stepped out of her panties, tossing the lacy garment on the ground.

He pressed his face between her legs. Polly shuddered when she felt his tongue. Curt licked her pussy, licked and lapped with deft skill. He spat on her clit and sucked it repeatedly.

"Guess not," he muttered.

Polly lay on the blanket with her legs spread, rubbing her pussy vigorously as Curt ripped off his clothes. The blanket had been her idea, a damned good one as the ground was slightly damp from a recent spate of rain.

Curt nearly fell stepping out of his jeans, a comical spectacle which would've made her laugh if she hadn't been so focused on his formidable cock. A swath of moonlight lashed his midsection, illuminating the nine and half inch rod she craved constantly. Curt knew how to use it, too. He was a damned good mechanic. But fixing cars wasn't his only talent, not by a long shot.

"Fuck me, baby. Stick your big dick in my tight cunt."

"Not just yet," Curt teased her.

He pressed his face between her legs. Polly shuddered when she felt his tongue. Curt licked her pussy, licked and lapped with deft skill. He spat on her clit and sucked it repeatedly. Polly's moans pierced the silence of the cemetery as she grabbed two handfuls of Curt's thick hair and parried with her hips, meeting his thrusting tongue with thrusts of her own.

"Please do it, Curt. Don't make me wait. Fuck me over George's dead body . . ."

Curt didn't say a word, choosing to let his action speak for him. He raised his head and moved into position, pausing a few seconds before plunging his cock into her gash. She wrapped her legs around his trim waist, enveloping him as he screwed her with piston-like strokes.

They proceeded in this manner until Curt pulled out and, grabbing Polly's hips, flipped her over. Face pressed to the blanket, she angled her spine and raised her tight ass for a proper doggy rutting. Curt loved that about Polly. They liked the same things, shared the same sexual proclivities. The perfect partner, he thought.

Then he guided his prick inside her, delighting in the snug heat of her yielding snatch. Holding her hips, he pounded her from behind, pummeling her with speed and ferocity. The sound of slapping flesh echoed throughout the grounds; this coupled with the unmistakable utterances of lovers approaching orgasm.

Polly came seconds before Curt blew a massive wad all over her ass. Lost in the throes of ecstasy, neither of them noticed the hand, rotting and moldering, as it pierced the ground beside George's headstone.

George made short work of Polly and Curt.

He stood there for almost a minute, towering over their broken and bent bodies, seemingly frozen with indecision.

Until he spotted Curt's car; it was a fine piece of American automotive machinery, a bona fide muscle car. George

Then he guided his prick inside her, delighting in the snug heat of her yielding snatch. Holding her hips, he pounded her from behind, pummeling her with speed and ferocity.

spotted Curt's blue jeans; he found the keys on a carabiner hooked to the belt loop.

Shambling across the grounds in the slow, excruciatingly awkward gait of the undead, George couldn't wait to crank her up and see what she could do. Unfortunately his left foot fell off before he could slide behind the wheel. But he didn't give a damn. The car had an automatic transmission. All he needed was one, the right one, more than enough to press the pedal to the metal and burn some serious rubber.

And he did. All night long.

NIKKI & SHARKA & NICKY

Swimming with Sharka

I had never gone to an all-girl pool party before, but Nikki and Sharka told me that I looked like the kind of girl that should come early. Sharka always got to pool parties early due to an “intimate inside connection” she said. I didn’t know what to expect, but when they took their titties out I caught on quickly. Turns out girls are a lot tastier than boys.
